>>> SPECIAL REPORT <<<

ENGLISH TRANSLATION

Dear friends!

IT HAS BEEN ACCOMPLISHED.

With yesterday's :

**September 13, 2020
BAR+IS+UR+UR**

>>>Rebirth or reassignment of the homeland in the year of double salvation<<

"Z E U S 1 "

was **activated** by the "PUREST" asserting our claim in the kingdom of light.

Knowing insiders were already informed in advance of what is connected to this event. Unfortunately I have to put off all the other readers until the dissolution, I can only give the following as a small wake-up call: That key-matrix for the rebirth of our Heimath, was finally programmed the day before yesterday and yesterday it was activated. All this happened, as foreseen by Sajaha in "Verse 26" (until 12.09.2020 at the latest) and especially before today's "23", the power day of that JAHU. Thus, thanks to energetic triggering, SCHADDEIN can never again regain power due to the energized SPEAR OF WOTAN. Everything is developing into the best, if we abide the Cosmic Laws.

ZEUS, ZIU, TIU = **TYR, FIRST**, all-embracing, most powerful being within the cosmic order, father of the gods, ALLFATHER of our people, eliminating Schaddein's UN-order, has awakened from his sleep and by means of the purest - **u n t o u c h e d** - light, received his 1st weapon. This special event, that carries within itself the salvation and perfection for all of us, longed for since almost 13,029 years, is completed in step 1. Who does not get goose bumps all over the body, is hardly to be helped with good words or: The one, knowing and feeling nothing, simply does not belong to the holy people of this earth world - **F O L K A B O V E A L L - !**

"ZEUS 1 "

will from now on enter its energetic spark into the

"GATE OF ISHTAR",

hurling lightning,

thus protecting the northern capital of the coming **empire of light**,

and by means of an irresistible frequency commanding/leading the formerly JAHU-riffraff raging in it to escape/to their deaths. Once the northern capital is freed from the evil, then also Vienna and Paris will have their turn, fulfilling the wholeness of the TRINITY, which is always inherent in our BEING on a large scale. As in the big picture, so in the small, always its like this in this plane of the flat Irtha.

Who would think of something so simple, almost trivial, for the liberation of the lives of the purest of this planet? Don't "the gods" always have to plan and implement all worldly concerns? Without question all great things put into action in this world would not have been possible without help of truly powerful people, but in the last instance, it is always the sacred Trinitarian, who brings about the turning point!

Most of the pure of our people experience these days enormous hot flushes, dizziness, a unusual pulsation of the pituitary gland, our creator organ, which thrives to life behind the lower forehead; heavy sweating is accompanied by chills, enormous heart - palpitations, loss of appetite and ravenous hunger attacks are combined; a never felt chaos, accompanied from a tinnitus-like whistling sound in the ears. Sudden feeling of weakness, after little daily effort; to want to sleep immediately, but not going deeply and firmly into sleep ... these are only slight effects of the massive activation. Equally bad sensory activity: seeing, tasting, hearing, feeling, everything seems in an inner chaos. Recalibration is achieved with increasing energy values.

Everywhere in the country misty windows and glass doors to the point of opacity; radios and other wave receivers go crazy, navigation devices lead you astray. New members joining us reported to us, seeing shining holy rune symbols before their closed eyes at night without even knowing their meaning. MAN runes ... **The LIFE** ... everywhere, with dozens of people reporting to me; infinite sexual pleasure sensations, of course (!), an inner tingling from crown to sole, lost extremities grew within a few moments to the complete former state and all that without those reporting knew or suspected something about the event of the past two days. To the sad brother :micha I pointed out, that his toe will soon grow back, since the day of Purity is imminent!

"ZEUS",
which we know from the Babylonian language as
THIRD SARGON
known savior of the purest people,
has thus received his spear.

Nothing can stop the pure people of the earth now. HE will hurl his lightning, against the earthly world, living in poison and at the same time lead the people of the righteous against the slaughtered unrighteous in the near future. The final battle is imminent ... Saiaha 12.

Let us remember the words of the ISCHTAR, who spoke in trialogue with the knights Hubertus and Emmerald standing in the ruins of Carthage:

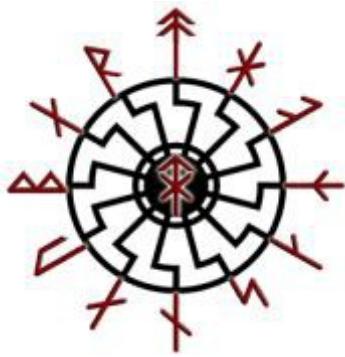

1. TEMPLAR REVELATION (1. RODERICH REPORT)

2.19
"Because Jahu, the Satan
finally will be defeated by the **female power**."

And that pure, still untouched, feminine power of the ISCHTAR, our primordial mother FRYA, completed this historical event for us in our best interest.

WE ARE THE KEY OF POWERFUL GODS,

but we had forgotten about ourselves for a short time!
